GOVERNMENT'S DISCLOSURE OF ARGUABLY SUPPRESSIBLE EVIDENCE
PURSUANT TO FEDERAL RULE OF CRIMINAL PROCEDURE 12(b)(4)

Comes now the United States of America, by and through its attorneys, Richard G. Callahan, United States Attorney for the Eastern District of Missouri, and Gilbert C. Sison, Assistant United States Attorney for said District, and makes the following disclosures pursuant to Federal Rule of Criminal Procedure 12(b)(4):

At trial, the Government intends to use the evidence seized and statements made by the defendants during the events described below. This evidence and these statements are more fully set forth in investigative/incident reports which have been made available to the defendants.

The Government has listed all of the defendants that it believes could possibly argue standing to contest each matter, although the Government is in no way conceding that these individuals, in fact, have standing on these events. Furthermore, the fact that certain defendants are listed as associated with each event would not preclude any other defendant from claiming standing.
